- 18.5 If there are more similar commitments of the User to ECC, and it was not otherwise explicitly regulated, any payments made by the User or any other person for the commitments of the User shall be calculated in accordance with the established Methodology of Manner and Sequence of Closing Receivables.

19. Blanket Agreement Duration Period

- 19.1 Blanket Agreement is signed for an indefinite period of time, regardless of the Card expiry date. If no contracting party terminates the Blanket Agreement and there are no reasons to block the Card and to terminate the Blanket Agreement, ECC will issue a Card with a new expiry date to the User and proceed to do so until cancellation, termination or end of the Blanket Agreement.
- 19.2 In case a Card is issued with a new expiry date, and if the Card being issued again had no contactless functions, ECC may issue a new Card with contactless functions to the User. If the User does not wish to use a contactless Card, the User is obliged to inform ECC about it, no later than fourteen days from the date the Card was delivered, via registered mail or by immediate delivery to ECC headquarters address.
- 19.3 Regardless of the expiry date of the Card issued pursuant to the Blanket Agreement, by cancelling, terminating or ending the Blanket Agreement in any manner possible, the right of use ends and the User shall immediately return a halved Card to ECC headquarters address or to the nearest ESB branch office. Any use of said Card after the end of Blanket Agreement shall be deemed unauthorised use of Card and represent intentional misuse of the Card by the User. In case of cancellation, termination or end of Blanket Agreement in any manner, all costs and commitments charged on the Card are due on the date the Blanket Agreement ends. This is also the day when all direct debit agreements on the Card end.
- 19.4 If the Card, while it is valid, gets lost, damaged or stolen and ECC issues a replacement Card, the same Blanket Agreement that applied to the lost, damaged or stolen Card shall automatically transfer to the replacement Card.

20. Modifications, Cancellation and Termination of Blanket Agreement

- 20.1 ECC is authorised to propose Blanket Agreement modifications, i.e. modifications of any Integral Part of the Blanket Agreement, at least two months before they become effective.
- 20.2 The notice on modifications of any Integral Part, except for the Decision on Limit Allocation, shall be delivered by ECC to the Basic User and to the Business Client in a separate letter or in a letter enclosing the Invoice or in an e-invoice at least two months before the amendments enter into force. The User can at any given moment, after the notification, request from ECC amended Integral Parts of the Blanket Agreement, and can also collect them in person in Erste&Steiermärkische Bank d.d. branches or via internet on the ECC website www.erstecardclub.hr or ask for their delivery via mail.
- 20.3 The User agrees that, in case the Card he/she uses (hereinafter: Existing Card) is no longer issued by ECC, ECC shall provide him/her with another card that contains basic functionalities of the Existing Card (hereinafter: New Card). ECC shall inform the User about it at least two months in advance. The User understands that it does not necessarily involve physical replacement of the card.

- 20.4 If the User fails to communicate to ECC in writing his refusal of the amendments to the Blanket Agreement up to the proposed date of their entry into force, it shall be deemed that he accepted the amendments to the Blanket Agreement.
- 20.5 If the User informs ECC in writing that he/she does not accept the modifications of the Blanket Agreement before the effective date, the Blanket Agreement shall be terminated on the date when the modifications of the Blanket Agreement, had they been accepted, would have come into effect.
- 20.6 The User agrees that interest rate changes or exchange rate changes that arise from reference interest rate or reference exchange rate and change of fees in the favour of the User can be performed immediately, without previous notice.
- 20.7 The User can, without providing a specific reason, cancel the Blanket Agreement with one month notice period, which shall start on the date the written cancellation notice is delivered via registered mail to ECC or to an ESB branch office.
- 20.8 ECC can, without providing a specific reason, cancel the Blanket Agreement with a two month notice period, which shall start on the date the written cancellation notice is sent via registered mail to the address of the User.
- 20.9 The User and ECC can terminate the Blanket Agreement if the other contracting party violates any of its commitments under the Blanket Agreement and such violation is not eliminated within 15 days from the date the notification on the violation of commitments is sent via registered mail, and which describes said violation. If the violation is not rectified within the given deadline, the notification about the violation shall be considered to be a statement on termination of the Blanket Agreement, and the Blanket Agreement shall be terminated on the fifteenth day from the day of sending the notification without the need to send any additional statements. Cases where the termination of the Blanket Agreement does not require notification to the other party or a 15 day deadline are explicitly stated in these General Terms. In these cases the termination shall become effective on the day of mailing the termination notice by registered mail to the address of the other contracting party, unless otherwise agreed in a special agreement.
- 20.10 In all cases, ECC is authorised, without providing additional deadline and reasoning, to terminate any Blanket Agreement with the User if (a) the User has any financial commitments to ECC on any grounds, which are due and not paid within 30 days from the maturity date, (b) the monthly income amount available for payment to the User is reduced in comparison to the amount that was the basis for the approval of the Request in a manner that it is smaller than the required free income for Card authorisation, which is periodically set by the ECC, and (c) if ECC has a reasonable doubt of unauthorised use of Card; (d) if it is established that the Blanket Agreement was signed based on false or incomplete information and (e) in case of insolvency proceedings of the consumer.
- 20.11 In case of cancellation or termination of Blanket Agreement, the User has the right of refund of a part of annual membership fee proportionate to the time between the end of the month when the Blanket Agreement was cancelled or terminated and the end of the period of the annual membership fee (hereinafter: Return of Proportional Part of Membership Fee is rounded up to 2 decimal places. ECC makes a set-off on due payment claims to the User, regarding the Return of Proportional Part of Membership Fee.
- 20.12 The Additional User and the Business User can cancel or terminate the Blanket Agreement only on their own behalf, or for a Card issued on their behalf, while the Basic User and the Business Client can cancel or terminate a Blanket Agreement with regard to any Card issued at their Request which did not require agreement by the Additional User or Business User.
- 20.13 If the Basic User cancels or terminates the Blanket Agreement with regard to the Basic Mastercard Card, it shall be automatically cancelled or terminated with regard to all other Additional Mastercard Cards. This provision shall apply to the cancellation or termination of Blanket Agreement by the ECC.

In case of cancellation or termination of Blanket Agreement, the User shall pay costs charged on the Card, whether they were incurred before or after the cancellation or termination of the Agreement.

- 20.14 The User has the right to unilaterally terminate the Blanket Agreement within 15 days from the day the Card and Integral parts were received, by sending a written notification on termination of the Blanket Agreement via registered mail or immediately via delivery to ECC headquarters address. Unilateral termination is not possible if the User has used the Card to pay for expenses.
- 20.15 In case that, according to the assessment of ECC exclusively, there is a suspicion of fraud or any misuse, money laundry and/or terrorism financing, ECC is authorised to cancel the Blanket Agreement without any additional explanation, if deemed necessary. In that case, ECC is authorised to request explanation or documentation that, according to its assessment, ECC can deem necessary in order to resolve the mentioned suspicion. The criteria and methods according to which ECC assesses risks of the mentioned misuse represent risk management and ECC protection measures. These are constantly being updated and improved in order to protect the stability of ECC business and User security and ECC is not requested to explain or deliver them upon User request.

21. Personal Information

- 21.1 ECC uses personal information of the User, including Tax Number (OIB), as a form of User identification in its business, in order to fulfil the requirements for its products and to enable the acceptance of the Card in the card system or international card organisations they are delivered to. ECC delivers personal information to contracting partners who accept the Cards for goods and/or services payment or perform the services of Card production and processing, and in case of a Mastercard Card which is issued in cooperation with other legal entities (Cobrand Cards), also to said legal entities. ECC delivers personal information to the insurance company when it is necessary to pay damages resulting from the misuse of ECC Card. Personal information of the User is used by ECC to process requests for ECC products and products of other Erste Group members and to exchange it with other Erste Group members, for that purpose and the purpose of analysing information for credit worthiness assessment, risk assessment, exposure and other risks management, which are, in authorising and tracking products and placement of products of the ECC and Erste Group members (companies that are related entities to the ECC within the meaning of the Companies Act, Credit Institutions Act and other regulations important to financial business) implemented in their business. Gathered and exchanged personal information, as well as gathered information, if required, can be verified by the User's employer, banks and other legal entities or institutions, delivered to other legal entities established to gather and provide information on creditworthiness of legal and natural entities (e.g. Croatian Registry of Loan Obligations (HROK)), further process and transfer, store and use it in other different manners for the business of the ECC and other Erste Group members, during the entire time products of the ECC and other Erste Group members are used. Users have the right to access their personal data, and the right to correct any incorrect or incomplete data related to them.
- 21.2 If a User wishes to recall the agreement to the use of personal information for the purpose of processing requests for approval of products by other Erste Group members and for the exchange of personal information with other Erste Group members, the User can, at any given time, deliver a written recall to ECC headquarters address, Zagreb, Ulica Frana Folnegovića 6.
- 21.3 ECC is authorised to conduct processing of personal information available to ECC for its business in order to prevent, research and discover frauds in payment traffic, in accordance with the regulations regulating personal information protection.
- 21.4 The User, until the written recall, agrees that ECC can send informative notifications, promotional material to the contact address, email address or contact the User via telephone. Agreement to the use of personal information for marketing purposes is not an Integral Part of the Blanket Agreement and the same does not end when the Blanket Agreement ends, but with a written recall.

22. Communication and Informing Users

- 22.1 Blanket Agreement shall be concluded in Croatian language and all communication related thereto shall be conducted in Croatian.
- 22.2 Unless otherwise agreed in a special agreement, all communication with ECC can be conducted in writing to the headquarters address: Zagreb, Ulica Frana Folnegovića 6; via email to info@erstecardclub.hr; via telephone: +385 1 4929 555 and via fax: +385 1 4920 400.
- 22.3 The User shall always provide ECC with updated and correct information, including address, telephone number, and email if used, which will enable ECC to contact the User and/or the employer of the User in a timely manner, in regard with fulfilment of rights and commitments from the Blanket Agreement. Violation of these User commitments is a valid reason for the termination of the Blanket Agreement and all other agreements the User signed with ECC without the need to provide any explanations and an additional deadline for the fulfilment of said commitments.
- 22.4 Delivery of Card, PIN code, invoices and other packages ECC sends to the User, shall be made at the address of the Basic User or Business User, and the Basic User or the Business Client are obliged to deliver it to the Additional User or Business User.
- 22.5 In case of address change, the User shall immediately inform in person in ESB offices, or in writing ECC of the new address, in which case all deliveries will be made to the new address.
- 22.6 If the User fails to inform ECC of the change of address, the User shall bear all the consequences of such failure and expressly agrees that the date of delivery shall be the date of handing over to the post office the document addressed to the last address delivered to ECC.
- 22.7 Invoices and all other packages, apart from those containing Cards or which were established otherwise under these General Terms, shall be delivered via regular mail, unless the User does not request in writing for the delivery via registered mail. In that case the User shall pay the fee set in the Decision on Fees for Mastercard Cards.
- 22.8 All Users using ECC On-line Services receive notifications electronically, where the day the notifications are received is the day when notification is made available at the ECC On-line Service. At the request of the User, ECC shall deliver the Invoice in paper form to the last address delivered to ECC.

CHAPTER II

SPECIAL PROVISIONS RELATED TO MASTERCARD REVOLVING CARD

23. Revolving Loan

- 23.1 By entering the Blanket Agreement on Issuing and Using Mastercard Revolving Card, the ECC approves a loan to the Basic User or the Business Client (hereinafter: the Borrower) in the amount set in the Decision on Limit (hereinafter: Revolving Loan/Revolving Loan Agreement).
- 23.2 Borrower and the ECC mutually agree and accept that the term Billing Period, used in these Special Provisions, concerns the billing period from the day of two separate bills being created which are invoiced once per month for the commitments charged on the Basic Mastercard Revolving Card and related Additional Mastercard Revolving Cards or Business Mastercard Revolving Cards.
- 23.3 Borrower and the ECC mutually agree and accept that said Revolving Loan is not used solely to finance specific products and/or specific services, therefore these Special Provisions regarding Mastercard Revolving Card are not related to Loan Agreement within the meaning of the Consumer Credit Act and other regulations regulating consumer protection, therefore the Borrower shall solve his/her relationship with Points of Sale directly, pursuant to Article 16 of this Blanket Agreement, signed by the Borrower and the ECC and regulating issuance and use of the Mastercard Card. In order to prevent any concerns, the Borrower and the ECC mutually agree and accept that the Borrower, of his/her own free will, makes the choice himself/herself, and that the Creditor does not, in any manner, affect that choice, the choice of products and/or services to be financed by this Revolving Loan, and the choice of the Point of Sale where the Borrower will make the purchase.

24. Approved Deadline for the Revolving Loan

- 24.1 Revolving Loan is granted to the Borrower for a period up to the expiry date of the Blanket Agreement, unless otherwise the Blanket Agreement is cancelled or the right of the Borrower to drawdown the rest of the Revolving Loan is set before the end of said expiry date, in a manner and under conditions set under the Blanket Agreement, in which case the Borrower cannot any longer drawdown the Revolving Loan until the day the right to drawdown the rest of the Revolving Loan, or the day the Blanket Agreement is cancelled.
- 24.2 In order to prevent any concerns, if, after the Basic Mastercard Revolving Card expires, the Borrower or Business User is issued a new Card as a replacement for the expired Mastercard Revolving Card, the Revolving Loan is approved until the expiry date of the other Card and so for each subsequent Card issued as a replacement for the expired Card (where all said Cards are included in the term "the Card" under these General Terms).
- 24.3 If new Blanket Agreement shall be concluded with the Borrower after the end of the Blanket Agreement within which the Revolving Loan has been approved, the Borrower and ECC can jointly prolong the duration of the existing Revolving Loan Agreement for the period of validity of the new Blanked Agreement.

25. Revolving Loan Use

- 25.1 Borrower and the ECC agree that the Basic User and any Additional User, if any, or Business User, can drawdown the Revolving Loan at any given time for the time of the Revolving Loan under the requirements set in these General Terms.
- 25.2 Borrower states that he/she understands and accepts that the provided Revolving Loan amount can be drawdown as the Borrower chooses and so that each cost during a Billing Period made by the Mastercard Revolving Cards issued at the Borrower's request before or during the period of use of the

Revolving Loan, at Points of Sale in the Republic of Croatia and abroad and withdrawing cash, apart from costs under Article 25.3 of these General Terms, represents a drawdown of a part of the Revolving Loan which constituted all costs incurred in a single Billing Period and in the order and amount the cost was recorded by the ECC. Revolving Loan can be drawdown until the total amount of costs incurred reaches the Revolving Loan amount.

- 25.3 Costs that cannot be settled with the Revolving Loan funds and which do not drawdown on a part of the Revolving Loan are: direct costs charged on the Basic Mastercard Revolving Card and Additional Mastercard Revolving Card or Business Mastercard Revolving Card through invoicing by the ECC, such as interests on the Revolving Loan, penalty interest and ECC fees charged pursuant to the Decision on Fees for Mastercard Cards.
- 25.4 Costs from the previous paragraph of this Article, as well as all other costs and commitments charged against the Basic Mastercard Revolving Card and Additional Mastercard Revolving Cards or Business Mastercard Revolving Cards, and the amount of which is larger than the Revolving Loan amount, shall be settled by the Borrower in a single instalment, before their maturity date.

26. Timely and Early Repayment of Revolving Loan

- 26.1 The Borrower agrees that he/she shall repay to ECC the Revolving Loan monthly in a way to repay at least 4% or other agreed minimum percentage of the used amount of the Revolving Loan, i.e. if that amount equals or is lower than 100.00 HRK, the Borrower agrees that he/she shall pay 100.00 HRK (Minimum Revolving Amount).
- 26.2 Borrower can, at any given moment without prior notification to ECC, make an early partial or full repayment of the Revolving Loan, without fees.
- 26.3 In case of early repayment of the Revolving Loan, every payment of the Revolving Loan in the amount larger than the Minimum Revolving Amount, reduces the principal of the used Revolving Loan.
- 26.4 By repaying the Minimum Revolving Amount or by early repayment of the Revolving Loan, the principal amount returned in said instalments is released for another drawdown.

27. Revolving Loan Fees and Interest Rates

- 27.1 Revolving Loan is approved with an annual interest rate established under the Decision on Fees for Mastercard Cards which is the Integral part of the Blanket Agreement. Interest rate is fixed and calculated by applying a straight-line method on interest calculation on the basis of the actual number of days in a year (356/366 days) and pursuant to Article 27.4 of this Blanket Agreement.
- 27.2 ECC can in any moment unilaterally decrease Revolving interest rate, according to its free estimation or due to legal limitations. The Borrower agrees that after the termination of legal limitation of Revolving interest rate amount, ECC can again calculate the contracted Revolving interest rate.
- 27.3 Effective Interest rate (EIR) on the Revolving Loan is established in the Decision on Fees under Article 17.2 of these General Terms and calculated under the assumption that the maximum Revolving loan is drawdown in a single instalment and repaid in 12 monthly instalments in their full amount. Different amounts and dynamics of fund withdrawal, longer repayment and payment date in the amount different from the monthly instalment amount cause a different calculation of the EIR.
- 27.4 Borrower shall not pay the ECC fees for approval, use and/or return of the Revolving Loan.

28. Calculation of Revolving Interest Rates

- 28.1 Revolving interest rate is calculated from the date the cost which is part of used amount of Revolving Loan was incurred until repayment.

28.2 In case of early repayment of the Revolving Loan in the amount larger than the Minimum Revolving Amount, Revolving Interest Rate is calculated to the reduced amount of the Revolving Loan principal from the day of each individual payment.

28.3 Revolving Interest Rate is not calculated if the Borrower pays the remainder of the amount of the Revolving Loan drawdown before the maturity date, including all costs recorded in the final bill.

29. Right to a Report on Use and Repayment of Revolving Loan

29.1 Borrower has the right, without paying a fee and upon written request, to get the report on the use and repayment plan of the Revolving Loan from ECC according to the use in the moment the report was made and under the assumption of the monthly repayment of the Minimum Revolving Amount, with the interest rate calculation.

29.2 The ECC shall deliver to the Borrower the report and plan from the previous paragraph, no later than 14 work days from the day the request was received.

30. Consequences of late repayments and lack of payments

30.1 In case of an overdue payment for any Minimum Revolving Amount, legal penalty interest rates shall be calculated on said amount from the maturity date to payment date.

30.2 The ECC has the right to, without previous notification, cancel the Borrower's right to drawdown remaining Revolving Loan amount, if there is any reason whatsoever to block or not issue the Card determined under the Blanket Agreement. ECC shall later inform the Borrower about it, whenever possible.

30.3 In case the ECC uses its right under the previous Article, it can decide to reinstate the Borrower's right to drawdown the remaining amount of the Revolving Loan.

31. Right of Basic User to Cancel the Revolving Loan

31.1 The Borrower has the right to cancel the Revolving Loan within 14 days (fourteen) days from the date this Blanket Agreement is signed, without providing a reason, under the condition that before the fourteen day period expires, the ECC receives the written statement from the Borrower on cancelling that can be delivered via registered mail, personal delivery or via email on info@erstecardclub.hr.

31.2 If the Borrower cancels the Revolving Loan, the Borrower understands and accepts that the costs, which were included in the Revolving Loan until the day it was cancelled, shall become outstanding and that the Borrower shall settle them immediately.

31.3 In case the Revolving Loan is cancelled, the Card becomes Mastercard Charge Card, which means that the Borrower shall settle all costs by the maturity date stated on the bill.

32. Modifications and Cancellation of Revolving Loan

32.1 ECC is authorised to propose modifications of the terms of the Revolving Loan Agreement and shall inform the User about them in writing at least three months before they become effective.

32.2 Borrower can, without providing a specific reason, at any given moment cancel the Revolving Loan Agreement in a written notice to the ECC, whereby the cancellation shall enter into force 30 days from the day the ECC has received the cancellation notice. The Borrower and ECC may jointly agree that the cancellation begins immediately after receiving the cancellation notice.

32.3 ECC can, without providing a specific reason, at any given moment cancel the Revolving Loan Agreement in a written notice to the Borrower, with a two month notice period.

32.4 Without prior notification and effective on the date of cancellation, the ECC has the right to terminate the right of the Borrower to drawdown the remaining Revolving Loan amount in the following cases:

- a) In cases under Article 30.2 of these General terms;
 - b) In case of risk increase that the Borrower will not pay any commitment to the ECC or related legal entities;
 - c) In case the ECC establishes that the Revolving Loan was granted based on incorrect or incomplete information on the Borrower, ECC is authorised to propose modifications of the terms of the Revolving Loan Agreement and shall inform the User about them in writing at least 2 months before they become effective;
 - d) In case when the Borrower fails to inform in time the Additional User about the content of the Agreement and other documents related to the Agreement;
 - e) In other cases when the failure to terminate the Borrower's right to drawdown the remaining Revolving Loan amount could cause damage to the ECC that would be irreparable or in any other manner could represent negligent business by the ECC.
- 32.5 In case of cancellation or termination of the Blanket Agreement, this Agreement shall be automatically cancelled or terminated at the date of the Blanket Agreement termination, except in case from Art. 24.3 of this Agreement.
- 32.6 In case of cancellation or termination of the Revolving Loan Agreement, the outstanding principal amount of the Revolving Loan and interest rate are due in full.
- 32.7 By the Revolving Loan drawdown, the Borrower agrees that he/she was presented with all information from Article 5 of the Consumer Credit Act.

CHAPTER III

33. Cession of Rights and Commitments from the Blanket Agreement

- 33.1 By entering the Blanket Agreement, the User shall agree that ECC can, without any additional agreement from the User, cede or any in other manner transfer its rights and commitments under the Blanket Agreement. The User agrees with processing and transferring of his/her personal information to the person that received the rights and/or commitments under the Blanket Agreement.
- 33.2 Before assigning or transferring his rights and obligations from the Blanket Agreement, the User shall obtain written consent from ECC.

34. Settling Complaints

- 34.1 If the User deems that ECC has violated its commitments under Chapter II and/or III of the National Payment System Act or failed to comply with the Regulation (EU) no. 2015/751, the User can file a complaint to ECC:
- a) via mail to ECC business address,
 - b) via email,
 - c) at the business premises of the ECC, orally or in writing by filling out a Written Complaint Form,
 - d) via telephone,
 - e) via fax,
- and ECC shall answer it within 7 work days after receiving the complaint, i.e. 10 work days in case of objections to treatment contrary to Regulation (EU) no. 2015/751.
- 34.2 If the User or any other person with a legal interest deems that ECC has violated its commitments under Chapter II and/or III of the National Payment System Act or acted contrary to the Regulation (EU) no. 2015/751 and/or Article 4, paragraphs 2, 3 and 4 of the Act on the Implementation of EU Regulations Governing Payment Systems (Official Gazette 50/2016), and can complain to the CNB as the authorised body and proceedings will be instigated based on the complaint pursuant to the National Payment

System Act or Act on the Implementation of EU Regulations Governing Payment Systems (Official Gazette 50/2016).

- 34.3 Among all disputes between the Users and the ECC arising from the implementation of provisions under National Payment System Act, the Consumer Credit Act (hereinafter: "the CCA"), Regulation (EU) no. 2015/751 or the Act on the Implementation of EU Regulations Governing Payment Systems (Official Gazette 50/2016), a proposal can be made for settlement to the Conciliation Centre of the Croatian Chamber of Commerce (hereinafter: the Conciliation Centre), implemented in accordance with the Rules of Conciliation of the Croatian Chamber of Commerce.
- 34.4 Settlement signed as part of the conciliation process before the Conciliation Centre is an enforceable document. Funds used to settle before the Conciliation Centre shall be insured by the state budget of the Republic of Croatia.
- 34.5 Provisions of this Article shall not affect the right of the User to instigate conciliations before another authorised body to instigate court or arbitration proceedings.
- 34.6 In the part of this Blanket Agreement regulating Revolving Loan, the CCA applies, among other rules, and its implementation is controlled by the Croatian National Bank.
- 34.7 In case of any disputes arising from this Agreement, the court in Zagreb shall have territorial jurisdiction.
- 34.8 Loss of User income can cause difficulties in repaying Loan Agreement approved by the ECC to the User within the meaning of the Consumer Credit Act (hereinafter: Loan Agreement) and all other commitments per Card, and it can cause cancellation of the Loan Agreement, as well as cancellation of the Blanket Agreement and forced settlement of debt, which can in turn have unsolicited consequences for the User, such as loss of real estate and other valuable property.

35. Entering into force

- 35.1 These General Terms shall enter into force on 1 November 2017 for Blanket Agreements concluded on 1 November 2017 and later, and regarding Blanket Agreements concluded until and including 31 October 2017, General Terms shall become effective on 1 January 2018 and modify General Terms on Issuing and Using Mastercard Cards number OU-MC/02-2017/01 that were concluded on 1 June 2017.
